HEY ELECTRIC, COME WITH US.

SOLTERRA

ALL-WHEEL DRIVE **EV**

We're going on a journey. It's time to take the electric revolution out of the supermarket carpark, away from the restricted parking zones and shared office blocks, to somewhere new. Somewhere where the skies are big, and the hills are bigger. Across the grass and gravel tracks, up sandy access roads and over waterlogged fields. Introducing our first All-Electric, All-Wheel Drive SUV – the Subaru Solterra – taking New Zealand to where we want to be in the future.
